PROFESSIONAL SUMMARY

Computer Science Engineering graduate with over one year of professional experience in administration, operations, documentation, data management, and website coordination. Experienced in managing large-scale state-level sports events, maintaining digital records, preparing reports, and handling stakeholder communication. Seeking an opportunity in IT Support, Web Administration, Software Support, Operations, or Entry-Level Software Development.

TECHNICAL SKILLS

- **Programming:** C, C++, Java, Python (Basic)
- **Web:** HTML5, CSS3, JavaScript (Basic), PHP
- **Database:** MySQL
- **Tools:** MS Excel, MS Word, PowerPoint, Canva, Git/GitHub (Basic)
- **Other:** Documentation, Website Content Management, Data Management, Email Administration

PROFESSIONAL EXPERIENCE

Administrative Officer – Karnataka State Rifle Association

- Managed digital records, membership databases, and administrative documentation.
- Coordinated state-level shooting championships involving registrations, scheduling, reporting, and operational support.
- Prepared official correspondence, certificates, reports, and government documentation.
- Maintained website content and handled email communication with clubs, athletes, and governing bodies.
- Created Excel reports, payment records, attendance sheets, and operational documentation.
- Worked with cross-functional stakeholders to ensure smooth execution of competitions.

Previous Experience

- Panchasheela Group of Institutions
 - Managed social media content for Facebook and Instagram.
 - Taught Computer Awareness and managed computer laboratory operations.

PROJECTS

Gym Database Management System | Technologies: PHP, MySQL

Developed a database-driven application for managing members, trainers, attendance, and fees.

3D Binary Search Simulation | Technologies: C++, OpenGL

Created an interactive visualization of the Binary Search algorithm.

Network Border Patrol | Technologies: Computer Networks

Designed a congestion control solution for fair bandwidth allocation.

Machine Learning Internship | Technologies: Python

Completed MSME Government internship covering preprocessing and predictive models.

EDUCATION

B.E. in Computer Science Engineering – Visvesvaraya Technological University

Diploma – PVP Polytechnic

SSLC – Karnataka State Board

STRENGTHS

- Analytical Thinking
- Problem Solving
- Quick Learner
- Team Collaboration
- Communication
- Time Management
